Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. §§ 1.56 and 1.97 to inform the Patent Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby invite the Examiner's attention to References B01-B03 cited on the attached Revised PTO Form 1449.

The listed documents were cited in a European Search Report dated May 23, 2005 issued in the corresponding European Application No. 02 721 822.1. Copies of the listed documents are attached. A copy of the search report is also attached.

Identification of the listed reference is not to be construed as an admission of Applicants or Attorneys for Applicants that such reference is available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use Form PTO-1449, since this form identifies all of the references therein as "Prior Art." As an alternative, Applicants submit herewith a "revised PTO Form 1449" entitled "List of References Cited By Applicant" instead of "List of Prior Art Cited."

Applicants respectfully request that the Examiner review each of the references and make them of record in the present application by making appropriate notations on the attached List of Cited References.

No fee is believed to be due for this submission, since it is being made within three months of the European Search Report date. Should any fee be required, however, please charge such fee to Morgan, Lewis & Bockius LLP Deposit Account No. 50-0310.

Respectfully submitted,
